? Why take this course

Our world is rapidly changing thanks to new technology, and the vocabulary needed to discuss modern life is evolving almost daily. In this course you will learn the most up-to-date terminology from expertly crafted lessons as well from your native-speaking tutor.

? What will you be able to do

You will learn vocabulary related to timely topics like remote work, artificial intelligence, online privacy, and more. In addition to discussion questions, you will practice intermediate level speaking tasks such as using data to describe trends.

List Topics

1. Social Media

2. Internet Privacy

23:55  

Social Media

Lesson Overview

What we'll cover today

1

1. Reading passage:
Is social media harmful?
2. Vocabulary review
3. Discussion questions
4. Creating a social media profile

CAMBLY

Let's get started!

To warm up, briefly discuss the following questions... (1-2 minutes)

1. What social networking sites do you use?
2. Do your parents use social networking sites?
3. How often do you use social networking sites?

CAMBLY

Is social media harmful?

Practice reading the passage out loud. Stop and review any words that are unfamiliar or difficult to pronounce.

تونيس

About me

I am passionate about running and fitness, I often compete in trail/mountain running events and I love pushing myself. I am training to one day take part in ultra-endurance events. I also enjoy watching rugby on the weekends, reading and watching podcasts on Youtube. My most memorable life experience would be living in and traveling around Southeast Asia.
